2015 Seed Stocking List

This list shows the Territorial Seed varieties we stock at Gardensphere.

These varieties are chosen based on their ability to perform well in our area.

We place weekly orders with Territorial, and will happily order you any seed.

If you would like a seed not stocked on our racks just let us know! We will bring in any non stocked seed(s): **saving you the cost of shipping**, and making your life that much simpler.
