

Lawn care made simple

There is so much to do in life; drop the kids at school, pick up the dry cleaning, plan for that afternoon meeting, make sure everyone is having a healthy dinner. At the end of the day shouldn't something be simple?

garden
simple

GardenSphere has taken the guess work out of your lawn. We've created a lawn program so simple it will easily fit into your busy schedule.

1. Purchase a lawn care package: Green for maintenance and Ultimate for restoring damaged lawns.
2. We will deliver the appropriate product at the appropriate time.
3. You apply the fertilizer.

Beautiful. Organic. Lawn.

20%+ Savings for Paying in Full! (includes tax)		\$224.99

ULTIMATE

Weeds? Thin Grass? Mud? **Have you felt like tearing out the whole thing and starting over?** STOP! The Ultimate Lawn program will bring your lawn back to life at a fraction of the cost.

ULTIMATE Schedule		
Dates	Product	Cost
March	Lawn Restore	\$44.99
March	Espoma 'Lightning Lime' (calcium)	\$24.99
March	Moss Max	\$24.99
April	Weed Beater Ultra (includes hose end sprayer for application)	\$44.99
Wait 2 weeks: rake lawn or de-thatch recommended		
Mid-April	10# PNW Grass Seed*	\$29.99
Mid-April	Mulch For Seed Cover*	\$59.99
June	Natural Organic Lawn Fertilizer	\$34.99
June	Soil Activator	\$19.99
September	Lawn Restore	\$44.99
November	Natural Organic Lawn Fertilizer	\$34.99
Total Cost (includes tax)		\$399.93
20%+ Savings for Paying in Full! (includes tax)		\$299.99

Prices are based on a 2000 sq. ft. lawn (standard city lawn size). Prices may vary if your space is larger than 2000 sq. ft. **If in question just ask and we'll help you figure out the size!**

Products can be spread by hand, with a handheld sprayer, or push spreader. **We're here to help if you have questions!**

Results are based on a watering program of twice a week for 30-45 minutes each watering. Watering 2 times a week encourages deep, healthy root growth. Avoid watering more than twice per week! **Want to know why? Just ask!**

***Once seed and mulch has been spread: Water once per day for a 5 minute duration, for 2 weeks. After grass has germinated switch to the above listed watering schedule.**
